

3 Midnight to Year 2016 Special Dangerous Prayers (Day 1)

Dear friends,

The prayers you pray in the last three days or in the first three days of the years go a long way to transform your life in the coming year. These are the days when satan and his cohorts brutally change and destroy peoples destinies. They are the days when many become less protected because of the festivity.

We are taking this 3 midnight to year 2016 special dangerous prayers to ring the bell of good things to come and as well shut the doors of misfortunes.

Joseph said unto Pharaoh's butler in the prison, "Yet within three days shall Pharaoh lift up thine head, and restore thee unto thy place: and thou shalt deliver Pharaoh's cup into his hand, after the former manner when thou wast his butler" (Gen 40:13)

Unto the Chief baker, he said, "Yet within three days shall Pharaoh lift up thy head from off thee, and shall hang thee on a tree; and the birds shall eat thy flesh from off thee." (Gen 40:19)

All these came to pass within three days.

What you see in the next three days determines what your year will look like.

When I take prayers like this at the beginning of the year, God usually reveal to me things to come.(Deuteronomy 29:29). And testimonies always follow.

If you are ready to guide your ways in 2016 with prayers. Then get set, and fire the bullets.
