

Oh Lord, revive your glory in every area of my life

God has an agenda of greatness for you. But the problem with many people today is that those whose destinies are meant to be colourful are languishing in the dustbin and require aggressive prayers to effect resurrection of their destinies that are dead. When a particular destiny is dead, its glory becomes shame. Good prospects are rubbish and brilliant stars are hidden in darkness.

It requires serious prayer battle for lost glory to be found. You must pray fervently if the glory which God destined you to experience and enjoy must be revived.

When your glory is revived, those who once disregarded you will begin to reckon with you.

Revival of glory is an important prayer programme which must be undertaken by those who are serious about becoming who God wants them to be.
