

Prayer To Remove Sex Demon Possession

As you can imagine, sex demons are the most common among people. And yes, even Christians can have demon possession. Since sexual sin is so prevalent, this is the reason sex demons are most common.

Although not mentioned in the Bible as a sin, masturbation is an opening to sex demons so it is strongly advised NOT to do so. Especially if you are having regular evil attacks.

This spiritual warfare prayer will cast the demon out of your life if you are being attacked by it.

Yes, the demons can attack you in your sleep and try to get you to masturbate, orgasm, or even have sex with you. If this prayer does not work immediately, then it is suggested you examine your life, repent, and seek further assistance.

But remember, NO demons will leave you unless you are in a state of righteousness and forgiveness with God. If you are in a state of sexual sin, lust, or any kind of fornication, porn watching, or masturbation, this prayer will be ineffective.

With slight changes this prayer can be altered and applied to any demon you feel is attacking you.

This should be spoken aloud and it is advised to repeat the parts where you are telling it to leave and for the Holy Spirit Fire to burn the openings until you feel changes. You may even hear screaming. If so, this is very good because the demons HATE the name of Jesus! Praise God!
